Why Innovative Computing Systems?

**Innovative Computing Systems**

Trusted Advice

" The Innovative Computing Systems team is Quinn Emanuel's trusted advisor. Through execution of a full nationwide network upgrade and post-conversion projects, we are pleased with their depth of knowledge, commitment and response. "

David Eskanos, Chief Information Officer,
Quinn Emanuel Urquhart & Sullivan, LLP

" Managing changing technology and law firm demands is tough; having Innovative Computing Systems as our engineering partner and navigating the day to day with their the level of personable quality shown by staff and engineers, on deep-dive systems issues and firm-wide projects, reveals much to me. It shows what can come about from a management culture that invests towards knowledge, skills, and support systems for their employees. "

Bert Elishaw, IT Manager,
Hahn & Hahn LLP

Service

" Our firm has trusted Innovative Computing Systems with our technology needs for over a decade. Innovative Computing Systems has always given us first-rate service, advice, their time and concern. I love Innovative Computing Systems! "

Elizabeth Moura, Administrator,
Felker Toczek Suddleson Abramson, LLP

Quality Engineers

" Innovative Computing Systems hires and keeps quality engineers, and this sets them apart. I have never dealt with an engineer I didn't want to work with again. "

Michael L. Mahoney, IT Director,
Freeman, Freeman & Smiley, LLP

" We love the patience and attention [Innovative's] engineers provide — they are super-respectful, as there's no indication from them that we ask silly or elementary questions, even though we must. The follow-up is great! "

Keli Carico, Finance Executive,
**Carico Johnson Toomey, LLP**

iManage

" Innovative Computing Systems did a great job on our iManage implementation from conducting focus groups to designing an intuitive, usable system to developing a training plan that worked for us. The project was a great success. "

Oleg Berlyant, IT Director,
Severson & Werson

" Innovative Computing Systems has been a great business partner for us. Our partnership began in 2010 when we migrated from DocsOpen to iManage and continues today. "

Ron Kauffman, Systems Engineer,
Best Best & Krieger LLP
