Why Innovative Computing Systems?

**Innovative Computing Systems**

Trusted Advice

" Innovative Computing Systems is a critical component of my firm, and a resource I can call on no matter what my technical issues. I love that I can get to know their engineers, which often saves me a lot of time when urgent issues arise. I know who has the expertise to help me, and can trust them to get it done quickly and well. Thanks for being there for us, Innovative Computing Systems! "

Kira Hansen
Office Administrator
ROSEN BIEN GALVAN & GRUNFELD LLP

" The technicians at Innovative Computing Systems are knowledgeable, responsive and very patient with our non-tech attorneys. They troubleshoot issues until resolved. For bigger IT projects, they assign a project manager that ensures the project stays on track and that I am informed of the progress and next steps. I feel confident that Innovative Computing Systems is keeping our firm secure through constant monitoring and timely updates. I truly enjoy working with everyone at Innovative Computing Systems. "

Service

" Our firm has trusted Innovative Computing Systems with our technology needs for over a decade. Innovative Computing Systems has always given us first-rate service, advice, their time and concern. I love Innovative Computing Systems! "

Elizabeth Moura, Administrator,
Felker Toczek Suddleson Abramson, LLP

" Innovative Computing Systems hires and keeps quality engineers, and this sets them apart. I have never dealt with an engineer I didn't want to work with again. "

Michael L. Mahoney, IT Director,
Freeman Freeman & Smiley, LLP

" We love the patience and attention [Innovative's] engineers provide — they are super-respectful, as there's no indication from them that we ask silly or elementary questions, even though we must. The follow-up is great! "

Keli Carico, Finance Executive,
Carico Macdonald Kil & Benz, LLP

" Innovative Computing Systems did a great job on our iManage implementation from conducting focus groups to designing an intuitive, usable system to developing a training plan that worked for us. The project was a great success. "

Oleg Berlyant, IT Director,
Severson & Werson

" Innovative Computing Systems has been a great business partner for us. Our partnership began in 2010 when we migrated from DocsOpen to iManage and continues today. "
