Bob Moore Joins Innovative Computing Systems as Account Executive

LOS ANGELES – July 9, 2018 – Innovative Computing Systems, a Los Angeles-based legal technology company, is proud to announce that Bob Moore has joined the company as an account executive.

Moore comes to Innovative from its longtime partner DocsCorp, where he served as sales director for over nine years. His joining the Innovative team only brings the relationship between the two companies closer.

Michael Kemps, founder and CEO of Innovative Computing Systems, says, “We are very happy to have Bob join our team. His years of experience with and deep knowledge of the legal technology community will help Innovative as it continues to grow.”

Moore shares, “Having worked with Innovative for many years, I’m thrilled to join them and build on my experience. I’ve gained some great expertise working in the legal technology field and look forward to expanding on that with Innovative and their clients.”

Moore’s experience in the legal industry includes four years with Workshare and over nine years with DocsCorp. His varied resume also includes four years of work in Central Africa with the Peace Corps and Catholic Relief Services, a master’s degree in urban affairs from Virginia Tech and eight years in health care research. He lives with his wife Suzanne in Portland, Oregon.

Innovative Computing Systems’ partnership with DocsCorp has been of great value to Innovative’s clients and will only improve with Moore’s arrival.

About Innovative Computing Systems, Inc.

Innovative Computing Systems, Inc., has primarily focused on the technology needs of law firms since 1989, and those skill sets have been sought out by entities such as municipalities, corporate environments and professional services organizations. Innovative Computing Systems takes a best-of-breed approach to all its offerings. Innovative Computing Systems selects only premier technology partners to provide solutions to its clients and is committed to maintaining long-term strategic relationships with them to ensure the highest levels of success, both in productivity and with IT initiatives.
